### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: in the Abstract, line 2, the phrase "is disclosed" has been deleted.

The following is an examiner's statement of reasons for allowance: the claims in this application have been allowed because the prior art, alone or in combination, does not disclose a method and device for monitoring the cleaning of a milk line during a cleaning cycle, the device comprising'. a monitoring-unit comprising a computer and a memory for at least temporarily storing data; a thermometer for measuring the temperature of a fluid that is present or has been present in the milk line and for supplying to the monitoring-unit a temperature signal that is indicative of the measured temperature, and a comparing device for determining whether the measured temperature is higher than a predetermined threshold temperature, the comparing device determining a first point of time when the measured temperature has come above the threshold temperature during a cleaning cycle, and determining a last point of time when the measured temperature has been above the threshold temperature during the same cleaning cycle.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Yvonne R. Abbott whose telephone number is (703)308-2866. The examiner can normally be reached on Mon-Thurs 9:30am-6:00pm.
